To top gun roofing and restoration

I just want to say a huge thank you for the re-roof of my house in wongan hills. We am very impressed with the outstanding performance in every manner of your business. You have exceeded my expectations.

From the time I rang the office for a quote I have experienced a wonderful and professional manner that is so pleasant and helpful.

Then when you got to my house to give me the quote again professional, pleasant and you couldn't do enough to help me out.

Now the roof is on it looks great and I am more than happy with the way you have conducted your work.

I have had 3 different re roofs in my time and I have to say you are the best...

If my friends or neighbours ever ask me where to get there roof done I will most certainly send them your way.

Excellent service at a great price

It is great to see a business that prides themselves on the work they conduct.

A great pleasure to do business with you and all the best for the future

Again a big thankyou to the entire top gun roofing team

Kindest regards

Frank and Emma
