**Subject:** Well done!

My roof restoration, from the initial quote, thru to completion, has been a pleasure. Peter and his staff are professional, courteous, polite, safety conscious and all round 'nice guys'. Nothing was too much trouble, they answered and explained in detail any queries that i had. Workmanship is second to none - and my neighbours have all agreed and commented on the efficient and expedient delivery of my fantastic new roof.

I can not speak more highly of such great tradespeople-

- \*great price (no salesman, I dealt directly with Karen and Peter)
- \*Work completed in agreed time frame
- \*Great workmanship
- \*Polite, Tidy and happy crew!

I recommend them with no hesitation. They are Brilliant!

Thanks again,  
Jane Brown; PADBURY
